BOOK	AUTHOR	ED	YEAR	PUBLISHER	ISBN#	UPDATED
Mandatory: <u>Accounting with CengageNOWv2 Access Code (used for both Acct 2305 & 2306)</u>	Warren, Reeve, & Duchac	26th	2016	Cengage Learning	978-1-305-61706-3	01/06/16

IMPORTANT NOTE (Read the entire syllabus before taking any further steps): This course requires that you have an access code (bundled with the text book from the WBU Bookstore) to access certain parts of the course and to use CengageNOWv2 (an online homework, tutorial and testing application). The WBU bookstore has all the information you need to buy the access code bundled with the text. Please direct all purchase inquiries to the book store. This is the last term that the 26th edition text will be used.

It is possible that your code will not work if you do not purchase it via the WBU Bookstore. Please be aware that most access codes purchased from third party sellers fail and students fall far behind as a result of trying to resolve the issue.

This code will be good for 12 months and can be used for both Acct 2305 and 2306 (if taken within that 12-month period). **If you have already purchased the bundle for ACCT2305, you should already have a code for ACCT2306 and should NOT have to purchase another.**

This bundle will have a ton of study materials and templates for completing work within CengageNOWv2, therefore the study guide and working papers will not be needed. If you have any problems with this purchase, if you are deployed military and/or are located many miles from a WBU Bookstore, or the bookstore is out of stock, please contact me via email immediately so that I can provide you with a resolution.

You will also need a "Course/Section key" to gain access to this instructor-led online course (after you have purchased the CengageNOWv2 Instant Access code bundled with the textbook). **CengageNOWv2 Course/Section key will be provided by the instructor in BlackBoard. DO NOT try to register in CengageNOWv2 until the semester begins AND you have the "go ahead" from the professor!**
