Attendance Requirements

WBUonline

Students are expected to participate in all required instructional activities in their courses. Online courses are no different in this regard; however, participation must be defined in a different manner. Student “attendance” in an online course is defined as active participation in the course as described in the course syllabus. Instructors in online courses are responsible for providing students with clear instructions for how they are required to participate in the course. Additionally, instructors are responsible for incorporating specific instructional activities within their course and will, at a minimum, have weekly mechanisms for documenting student participation. These mechanisms may include, but are not limited to, participating in a weekly discussion board, submitting/completing assignments in Blackboard, or communicating with the instructor. Students aware of necessary absences must inform the professor with as much advance notice as possible in order to make appropriate arrangements. Any student absent 25 percent or more of the online course, i.e., non-participatory during 2 or more weeks of an 8-week session, may receive an F for that course. Instructors may also file a Report of Unsatisfactory Progress for students with excessive non-participation. Any student who has not actively participated in an online class prior to the census date for any given session is considered a “no-show” and will be administratively withdrawn from the class without record. To be counted as actively participating, it is not sufficient to log in and view the course. The student must be submitting work as described in the course syllabus. Additional attendance and participation policies for each course, as defined by the instructor in the course syllabus, are considered a part of the university’s attendance policy.

University Policies

Statement on Plagiarism and Academic Dishonesty: Wayland Baptist University observes a zero tolerance policy regarding academic dishonesty. Per university policy as described in the academic catalog, all cases of academic dishonesty will be reported and second offenses will result in suspension from the university.

Disability Statement: In compliance with the Americans with Disabilities Act of 1990 (ADA), it is the policy of Wayland Baptist University that no otherwise qualified person with a disability be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity in the university. The Director of Counseling, Career and Disability Services serves as the coordinator of students with disability and should be contacted concerning accommodation request at (806) 291-3765. Documentation of a disability must accompany any request for accommodations.

Accessibility issues with content in WBUonline courses or in Blackboard should be addressed to the WBU accessibility coordinator, Rick Hammer, hammerr@wbu.edu or call 1-866-547-9192 for 24/7 Blackboard Support.

Student Grade Appeals: Students shall have protection through orderly procedures against prejudices or capricious academic evaluation. A student who believes that he or she has not been held to realistic academic standards, just evaluation procedures, or appropriate grading, may appeal the final grade given in the course by using the student grade appeal process described in the Academic Catalog. Appeals may not be made for advanced placement examinations or course bypass examinations. Appeals are limited to the final course grade, which may be upheld, raised, or lowered at any stage of the appeal process. Any recommendation to lower a course grade must be submitted through the Vice President of Academic Affairs to the Faculty Assembly Grade Appeals Committee for review and approval. The Faculty Assembly Grade Appeals Committee may instruct that the course grade be upheld, raised, or lowered to a more proper evaluation.

Course Requirements and Grading Criteria

Requirements:

Graded Items (Total 100%)

- Discussion Board/Devotions 45%
- Essays (2) 35%
- Global Presentation and associated activities 20%

Grading Scale:

100-90	A	W	Withdrawal

Below 60	F		

Late Policy:

Unless there are special circumstances as noted below, all work (including Discussion Board assignments and any other graded assignment) must be submitted by the due date.

- Assignments submitted within one week after the due date will receive a 10% deduction. **This does not apply to Discussion Board work. Discussion Board assignments must be completed by the stated due date.**
- Assignments submitted more than one week and less than 2 weeks late will receive a 20% deduction. **This does not apply to Discussion Board work. Discussion Board assignments must be completed by the stated due date.**
- Assignments submitted **two weeks late or after the final date** of the course **will not** be accepted.

Special circumstances (e.g. death in the family, personal health issues) will be reviewed by the instructor on a case-by-case basis. **To be considered for an exemption to the policy, students must contact the professor in advance of the due date.**

The University has a standard grade scale:

A = 90-100, B = 80-89, C = 70-79, D = 60-69, F= below 60, W = Withdrawal, WP = withdrew passing, WF = withdrew failing, I = incomplete. An incomplete may be given within the last two weeks of a long term, within the last week of an 8-week session, or within the last two days of a microterm to a student who is passing, but has not completed a term paper, examination, or other required work for reasons beyond the student's control. A grade of "incomplete" is changed if the work required is completed prior to the last day of the next long 16-week term or 8-week session, unless the instructor designates an earlier date for completion. If the work is not completed by the appropriate date, the I is converted to an F.

Additional Information

Week 1 Mandatory Assignment for Attendance: By Wednesday, Midnight of Week 1, complete the required assignment to avoid being dropped from this class.

Discussion board/Devotionals: This is where you "attend" class and share ideas based on theoretical research and topic-related devotionals with your colleagues. Discussion board and devotional initial posts are due Fridays, responses are due on Sundays. If you miss the week, the discussion board is automatically graded as a zero (0) and you will be reported as "absent". Following late policy procedures, making up a discussion board may be considered on a case-by-case basis and only for emergency situations.

Short Essays: Short Essays are due in Weeks 2 and 5. More information, template, and topic selections are available in Blackboard. If you miss the deadline, reviews are automatically graded a zero (0). Late essays may be submitted as an exception and following late policy procedures.

Global Perspectives Team Presentation Project:

Based on a fictional organization that is going global, your team is tasked with developing a compensation and benefits strategy that addresses pay, benefits, allowances, repatriation, international tax laws, and training. See Blackboard for details and team assignments in the Course Groups.

Self-Plagiarism/Plagiarism in General: SafeAssign is sensitive to these issues. You may not use any of your own work from previous courses or the work of others in this class. While you are welcome to re-use references, the information you write must be presented in a different, refreshing new way. If Plagiarism/Self-Plagiarism is noted, a zero (0) is assigned to the work.
