Posting of Grades:

Final grades will be posted in IQ Web and Blackboard.

Discussion Assignment Guidance:

1. Subjects are chosen so that they will not be able to be answered adequately in not less than 300 words and will be consistent with the APA style of writing. Failure to provide References and Citations will result in a grade of "0" for the Assignment. Decision on the adequacy of an answer is the instructor's. It is not subject to debate.
2. Assignments are graded on a 100-point scale. Assignments and Quizzes are due by midnight (11:59 pm Central Time) the first Sunday after the assignment is made. They will be considered late, after midnight of date due, and a deduction of 20 points per week will be taken.
3. Discussion Assignments will be submitted through the Discussion Forum in Blackboard. Initial Post must be submitted through the Discussion Forum. The way to do this is to create the posting in a Word Document, correcting spelling and grammar prior to copying and pasting the narrative into the Discussion Forum in Blackboard. Assignments copied and pasted or created in Blackboard will be graded as such and no consideration will be made for format changes to your documents.
4. Assignments not submitted through Blackboard, as indicated above will not be accepted.

Essay Assignment Guidance & Format:

The Essay homework assignments will consist of not less than 4 pages of narrative text (standard double line spacing, Times New Roman, Font size 12, with 1-inch margins all around). Title Pages, Tables of Content, figures, pictures, graphs, and references will not be counted as text. A title Page is required. A "Table of Contents" is not required; an Abstract is not required for the Essays. At this point, let me remind you that if you use Microsoft Word to produce your paper, its default is 1.25 inches, and you need to change it to one inch. Use only 12 point Times New Roman font on your papers. This will keep the paper length consistent for everyone. Since a word processor is likely to be used in the preparation of the paper, it is expected that there will be NO spelling errors. I will caution you that 'Spell Check' will not catch words spelled correctly but not in the correct context. Accuracy is important. Grammar and spelling errors will be penalized at 1 point per occurrence. Clarity can affect understanding. If your work is difficult to understand, the content is questionable.

Proper credit for references used will be included and will be cited within the paper as well as in a References page. There will be at least **two (2)** outside peer-reviewed references used (the textbook does not count as one). Articles must have an Author and published date. Magazines, Blogs, Newspapers, and Wikipedia documents are **not** acceptable. Therefore, you will have to do some research to back up your conclusions.

Note: The APA style of writing has a References page. It does not have a Works Cited page or Bibliography.

Papers will be consistent with the APA style manual format. (The requirement for APA style of writing will be worth at least 30% of your grade.)

In the Main Menu section, Information/Syllabus of Blackboard are the Rubrics and examples that will be used to grade Research Paper, Essays, and Discussions. There is also a link to the Wayland Library (LRC) and one to the Wayland Writing Center if you need help. I am also available via email.

Topics:

As listed in Assignments in Blackboard.

Attribution:

All works and illustrations used in your paper must be cited; this means crediting the source where you found the information you used to support your work. If you fail to give credit for copyrighted information you present as your own work, that constitutes plagiarism and will be penalized by a zero for the project. References and citations must support all statements of fact.

NOTE: An author must be a **person**, and the date is the **year** of publication.

Citations should be in the format: (Author(s), date) or if for a quote [Author(s), date, page]. If the Referenced article is no longer than one (1) page the citation for a quote should be (Author(s), date, paragraph). If citations are not correct, a minimum of 10% will be deducted.

References:

This is the source material you used to support your research project. Sources without an author and/or date should not be used. Look in the APA manual or in the Wayland Writing Center/Research and Writing Guides. If References are not correct, a minimum of 10% will be deducted.

If neither references nor citations are given for your research for Homework Assignments, your score will be 0 for the assignments.

NOTE 1: References without an author (person) and a date (year of publication) will not be accepted (This means references must have both).

NOTE 2: ALL weeks end on Sunday. All assignments and quizzes for each week are due by 11:59 pm, midnight on the Sunday ending the week. The Final Exam is due on the date scheduled.

Guidelines for Research Papers

Exam:

Exams are presented on Blackboard. The Final Exam is comprehensive, non-proctored, and covers the material listed on the schedule. Immediate feedback is provided on the objective portion of the Exam. The essay questions will have to be graded by the instructor on an individual basis. Therefore, you will receive the total exam score after manual grading of the essay questions.

Keep a copy of your work until the end of the course; recording errors may occur.

Research Paper Format and Guidance:

The Research Paper will consist of not less than 8 pages of narrative (standard double-spaced with no extra line spacing, also margins set to 1 inch all around). (Title Page, Abstract, Tables of Content, figures, pictures, graphs, and references will not be counted as text. Title Page is required. Table of Contents is not required; an Abstract is optional). At

Since a word processor is likely to be used in the preparation of the paper, it is expected that there will be NO spelling errors. I will caution you that 'Spell Check' will not catch words spelled correctly but not in the correct context. This is not an English class. However, accuracy is important. Grammar and spelling errors will be penalized at 1 point per occurrence. Clarity can affect understanding. If your work is difficult to understand, the content is questionable.

Proper credit for references used will be included and cited within the paper and References page. At least four (4) outside **Peer Reviewed** references are required, and textbooks count as references). In other words, you will have to do some research to back up your conclusions.

Direct quotes should not be used. Synthesize and paraphrase, then cite the Author. Do not over-cite in your essay or term paper. Papers will be consistent with the APA style manual format. (The requirement for APA style of writing will be worth at least 30% of your grade.). See example in Blackboard.

NOTE: An author must be a person, and the date is the year of publication.

Citations should be in the format: (Author(s), date) or if for a quote (Author(s), date, page).
