As stated in the Wayland Catalog, students enrolled at one of the University's external campuses should make every effort to attend all class meetings. All absences must be explained to the instructor, who will then determine whether the omitted work may be made up. When a student reaches that number of absences considered by the instructor to be excessive, the instructor will so advise the student and file an unsatisfactory progress report with the campus executive director. Any student who misses 25 percent or more of the regularly scheduled class meetings may receive a grade of F in the course. Additional attendance policies for each course, as defined by the instructor in the course syllabus, are considered a part of the University's attendance policy.

STATEMENT ON PLAGIARISM & ACADEMIC DISHONESTY:

Wayland Baptist University observes a zero tolerance policy regarding academic dishonesty. Per university policy as described in the academic catalog, all cases of academic dishonesty will be reported and second offenses will result in suspension from the university.

The Coordinator of Counseling Services serves as the coordinator of students with a disability and should be contacted concerning accommodation requests at (806) 291-3765. ADDITIONAL INFORMATION

All students are expected to respond to each main discussion question, and to at least two other learners in each main discussion thread. Get in the habit of logging-in at least every-other day (three times per week). You will find that the course moves very quickly and, once you are behind on discussion posts, it is extremely difficult to catch up!

Regular participation is expected and required in all discussion posts. Note that "I agree" (affirmation) statements with no substantive content will not be considered course participation. While these are polite and encouraged in order to build a sense of community with your fellow students, posts must "add value" to the discussion in order to be counted toward your final grade.

Emphasize the positive in all discussion posts!! If you do have a disagreement with a fellow student's post, focus on the problem and not the person. This is an old business etiquette tactic that works. I reserve the right to delete any and all responses that are deemed inappropriate or are disrespectful in tone or content.

If you must "vent" (i.e., complain, let loose some frustration, etc.), please take your frustrations out on me! Send a private message to me using course room email. Your grade will not be affected and you will find that I can be very understanding.

Previous discussion units are "closed" once the new unit has started. Generally, this is the day after the last assignment for the prior unit is due. **You will not receive credit for late discussion posts.** This is because of the interactive nature of discussions and it is analogous to "class" being in session only during a certain time. You would not expect to show up in a physical classroom and carry on an academic discussion after class is over and everyone has left for the day! This course room works the same way.

All assignments must be completed on time and as assigned. I will not accept assignments that are turned-in late without prior arrangements. All work must be completed by the official end date of the course.

Email and "virtual office hours": The email system within the course room is usually the best way for communicating directly with me. In an emergency, you may contact me by calling 651-295-7732. Just let me know a good time to get back to you when you send an email or leave a voicemail message (please remember to leave your phone number!).

Plagiarism or any act of academic dishonesty will result in a failing grade—no exceptions.
