Attendance - External Campuses

Students enrolled at one of the university's external campuses should make every effort to attend all class meetings. All absences must be explained to the instructor, who will then determine whether the omitted work may be made up. When a student reaches that number of absences considered by the instructor to be excessive, the instructor will so advise the student and file an unsatisfactory progress report with the campus dean. Any student who misses 25 percent or more of the regularly scheduled class meetings may receive a grade of F in the course. Additional attendance policies for each course, as defined by the instructor in the course syllabus, are considered a part of the university's attendance policy. A student may petition the Academic Council for exceptions to the above stated policies by filing a written request for an appeal to the provost/academic vice president.

Course Evaluation (Method of Determining Grade)

•University Grading System

A	90-100	I	INCOMPLETE**
B	80-89	Cr	FOR CREDIT
C	70-79	NCr	NO CREDIT
D	60-69	WP	WITHDRAWAL PASSING
F	BELOW 60	WF	WITHDRAWAL FAILING
		W	WITHDRAWAL

**A grade of incomplete is changed if the deficiency is made up by midterm of the next regular semester; otherwise, it becomes "F". This grade is given only if circumstances beyond the student's control prevented completion of work during the semester enrolled and attendance requirements have been met. A grade of "CR" indicates that credit in semester hours was granted but no grade or grade points were recorded.

•Procedure for computations of final grade:

Final Exam	33%
Discussion Boards	33%
Weekly Quizzes & Attendance/participation	34%
