COURSE REQUIREMENTS and GRADING CRITERIA:

Class Attendance/Participation

Weighting: 10% Possible Points: 100

Due to the scope of material to be covered in this course, learners are expected to attend and participate throughout the semester. Participation points are not guaranteed. To gain points, learners must engage in the instructional activities of the course. Since facilitating the learning experience is partially dependent on peer interaction, absence from activities will result in the loss of participation points.

Discussion Posts

Weighting: 24% (4% per Discussion Board)

Possible Points: 240 (40 points per Board)

Students are expected to respond to 6 discussion boards throughout the course. Each thread in the discussion board must be addressed for full credit in the assignment. These questions are reflective in nature, without a “correct” answer. They are intended to encourage thought about the readings and lectures as well as to facilitate dialogue on these topics. Sunday is the weekly deadline for initial responses to instructor’s threads (questions). Students should also engage in robust discussions with their classmates about posts on discussion boards. **This is a minimal expectation of two substantive responses to classmates’ posts per week.** These interactions are due by Sunday of the week following the initial posts. All discussion posts should strive to build community and enhance the learning process.

Quizzes

Weighting: 36% (6% per quiz)

Possible Points: 360 (60 points per quiz)

A total of 6 quizzes will be taken at specific dates throughout the semester. Each quiz will cover specific content from the required readings and lecture content for the course. Students will have the opportunity to take quizzes without time constraints and are permitted to utilize their Bible and textbook when answering questions.

Exams

Weighting: 30% (10% per exam)

Possible Points: 300 (100 per exam)

Students will be required to take three closed-book exams. These exams will focus on material covered in the class lectures and reinforced in the required reading. The exams will divide the lectures in thirds and are not comprehensive. Study guides will be provided to aid in preparation for these exams.

Computation of Final Grade:

Attendance/Participation:	100 points	10%
Discussion Posts:	240 points	24%
Reading Quizzes:	360 points	36%
<u>Exams:</u>	<u>300 points</u>	<u>30%</u>

Grade Appeal Statement: “Students shall have protection through orderly procedures against prejudices or capricious academic evaluation. A student who believes that he or she has not been held to realistic academic standards, just evaluation procedures, or appropriate grading, may appeal the final grade given in the course by using the student grade appeal process described in the Academic Catalog. Appeals may not be made for advanced placement examinations or course bypass examinations. Appeals are limited to the final course grade, which may be upheld, raised, or lowered at any stage of the appeal process. Any recommendation to lower a course grade must be submitted through the Vice President of Academic Affairs/Faculty Assembly Grade Appeals Committee for review and approval. The Faculty Assembly Grade Appeals Committee may instruct that the course grade be upheld, raised, or lowered to a more proper evaluation.”
