3. Demonstrate knowledge of the different peoples and dialects of Spain.
4. Demonstrate knowledge of the geography of Spain.
5. Demonstrate knowledge of the important persons in the history of Spain.

The more the student puts into the course, the higher his or her outcome competencies will be.

Attendance Requirements: As stated in the Wayland Catalog, students should make every effort to attend all class meetings. All absences must be explained to the instructor, who will then determine whether the omitted work may be made up. When a student reaches that number of absences considered by the instructor to be excessive, the instructor will so advise the student and file an unsatisfactory progress report with the campus executive director. Any student who misses 25 percent or more of the regularly scheduled class meetings may receive a grade of F in the course. Additional attendance policies for each course, as defined by the instructor in the course syllabus, are considered a part of the University's attendance policy.

Online courses are no different in this regard; however, participation must be defined in a different manner. Student "attendance" in an online course is defined as active participation in the course as described in the course syllabus. Instructors in online courses are responsible for providing students with clear instructions for how they are required to participate in the course. Additionally, instructors are responsible for incorporating specific instructional activities within their course and will, at a minimum, have weekly mechanisms for documenting student participation. These mechanisms may include, but are not limited to, participating in a weekly discussion board, submitting/completing assignments in Blackboard, or communicating with the instructor. Students aware of necessary absences must inform the professor with as much advance notice as possible in order to make appropriate arrangements. Any student who is absent 25% or more of the online course, i.e., non-participatory during 1 or more weeks of an 8-week term, may receive an F for that course. Instructors may also file a Report of Unsatisfactory Progress for students with excessive non-participation. ***Any student who has not actively participated in an online class prior to the census date for any given term is considered a "no-show" and will be administratively withdrawn from the class without record.*** To be counted as actively participating, it is not sufficient to log in and view the course. The student must be submitting work as described in the course syllabus.

*** Because this is an online course and because we will not meet synchronously, your attendance for the course is largely dependent on your contribution to the online assignments, discussions (if any) and other participation grades. In keeping with the on-site attendance policy, failure to provide a full response for at least 25% of the discussion topics will result in an F for the course. ***

Per university policy as described in the academic catalog, all cases of academic dishonesty will be reported and second offenses will result in suspension from the university.

Appeals may not be made for advanced placement examinations or course bypass examinations. Appeals are limited to the final course grade, which may be upheld, raised, or lowered at any stage of the appeal process.
